

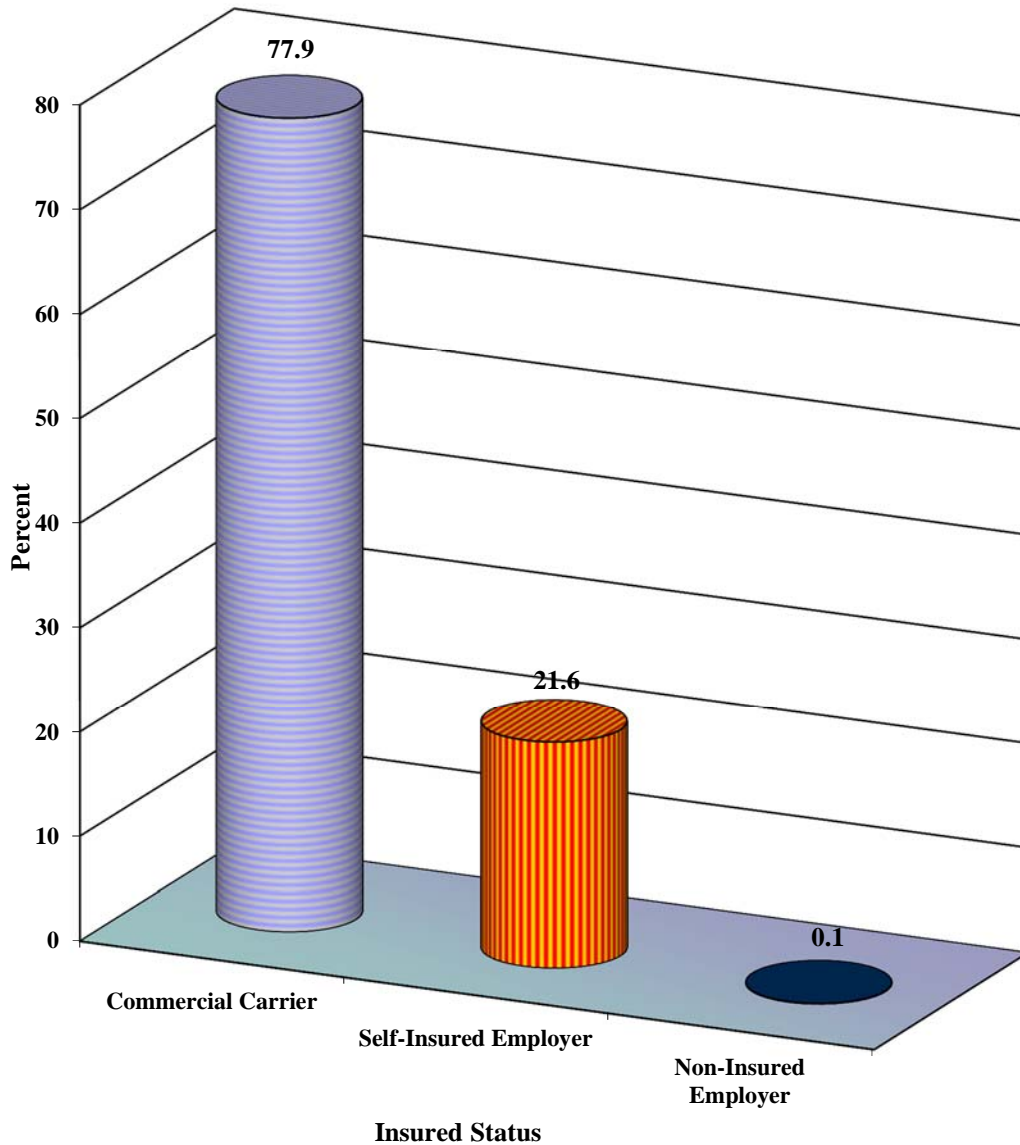

Figure 18. Percent Distribution of Lost-Time Claims Filed, by Insured Status

Notes:

- 1 Based on claims involving a single carrier, and employers without insurance.
- 2 The total number of lost-time claims is 26,557.
- 3 0.7% of claims show an indeterminate insurance status and are not shown in this graph.
- 4 The determination of non-insured employers in this figure was derived through an extensive claim-by-claim review process.
