**Notes:**

- 1 The status of the claim is based on documents filed with the Division of Workers' Compensation, as of December 28, 2010. An "Admitted" claim is one for which a document with some indicator of liability has been filed, including a Fatal Admission or a Final Pay Notice. A "Denied" claim is one for which a "Notice of Contest" has been filed, but no evidence of liability is found.
- 2 Some of the cases have had a change of claim status during the course of the claims, but the majority were consistently one status.
- 3 An "Indeterminate" claim is one for which no evidence of an admission nor a denial has been filed. Of the "Indeterminate" claims, 9 (4.7%) have been resolved with a settlement and no hearing.
- 4 The total number of lost-time claims filed is 26,557; eleven (11) claims were missing data on gender.
