Sector totals differ from the QCEW Annual Averages due to the distribution of government employees throughout all sectors, a later download date, and rounding of data. An employed person is 16 years or over in the civilian noninstitutional population who, during the reference week, (a) did any work at all; and (b) who was not working but was temporarily absent.

3 "Other" includes nonclassifiable establishments, invalid NAICS codes, and missing NAICS codes.
