Colorado Jumpstart
Return to Work Incentive

What is it?

The Colorado Jumpstart incentive program is being offered to Colorado unemployment recipients who return to work full time between May 16 and June 26, 2021.

Am I Eligible?

To be eligible to receive the Colorado Jumpstart incentive, claimants must meet all of the following criteria:

- Must be a Colorado resident.
- Must have completed ID.me identity verification.
- Must have certified for at least one week of regular state unemployment benefits or Pandemic Emergency Unemployment Compensation (PEUC) during the period beginning March 28, 2021 and ending May 16, 2021
- Must return to work full-time between May 16 and June 26, 2021.

How Do I Get It?

1 **Get hired.**
Accept a job and return to work full time. There are more than 100,000 jobs currently listed on **ConnectingColorado.com**.

2 **Log into your MyUI+ account.**
Log into your MyUI+ account and begin your weekly certification.

3 **Let us know you've returned to work.**
You'll see the question, "Have you returned to work full time during this reporting period?" Answer yes, and provide the date you returned to work.

4 **Opt into the program.**
Next, you'll be asked if you want to participate in the Colorado Jumpstart program. Answer yes.

5 **Let us know about your new job.**
On the next screen, provide the requested information about your new employer and wages. That's it! The first half of your Colorado Jumpstart incentive will be paid after approximately four weeks of employment, with the second half paid after approximately eight weeks of employment.
